

GROUP FINANCIAL ACCOUNTANT - UK Location: Troon or Enniskillen

Est 1913, Glennon Brothers supplies both Irish and the UK markets with products for the construction, pallet wood and fencing industries. It also manufactures timber frame homes and engineered roof trusses for the house building sector. Glennon Brothers has operations in Longford and Fermoy in Ireland, Enniskillen (Balcas) in Northern Ireland; Troon, Invergordon and Edinburgh in Scotland.

With 900 employees across Ireland and the UK, Glennon Brothers is now expanding its finance team to appoint a **Group Financial Accountant**.

Role: Reporting directly to the Head of Finance, this is an exciting opportunity for the successful candidate to join a dynamic finance team in the UK. The successful candidate can be based in either Glennon Brothers, Troon or Balcas, Enniskillen according to preference but will have group wide responsibilities for the UK finance function; this will involve travel to each of the group locations as required.

The Candidate: This position would suit a recently qualified accountant with a minimum of 2 years PQE. An ambitious, enthusiastic, self-motivated individual with the ability to work as part of a team. The candidate will possess strong commercial awareness/business acumen and sound analytical and problem-solving capability; they will present excellent organisational skills as well as being confident communicator at all levels. Excellent IT (business application) skills and a full clean driving licence essential.

For further details on this exciting opportunity or to apply online, please visit www.balcas.com/careers

Alternatively; applications in the strictest confidence, with full CV to angela.montgomery@balcas.com using the reference GFAUK & stating preferred location by the closing date of 28th June at 4pm.

As a leader in the Green Tech industry, Glennon Brothers is a growing, dynamic and innovative organisation with ambitious growth plans. It's people, commitment to service, and ongoing investment in new technology are core to the business.
